

REIMBURSEMENT REQUEST

26-27th Sep 2024 LISER-IZA conference

LISER's reimbursement policy:

Travel costs (train/plane tickets, 2nd/economy class) will be reimbursed by LISER upon presentation of the original receipts (public transport tickets, boarding passes (paper or electronic document)). When booking any tickets, it is important to choose a ticket with a cancellation insurance in case of some last minute events. LISER can only reimburse costs for trips that actually took place.

Presenters will need to make their travel arrangements.

It is foreseen that presenters from Europe (EU+EEA+UK) can claim up to EUR 400 for travel and for overseas presenters up to EUR 1000.

A room for 2 nights will be booked and paid for by LISER. Please be aware that LISER will not reimburse any other accommodation booked by the participant!
